Cylinder Moulds

Geo-Con Products concrete cylinder moulds are of highest quality manufacture and have been field-proven over several years by testing laboratories, concrete manufacturers, contractors and research organisations. They feature an innovative quick-release design for easy specimen removal and cleaning. Available in various configurations, all to relevant Australian Standards.

Standard Sizes:

150mm dia x 300mm ht

100mm dia x 200mm ht

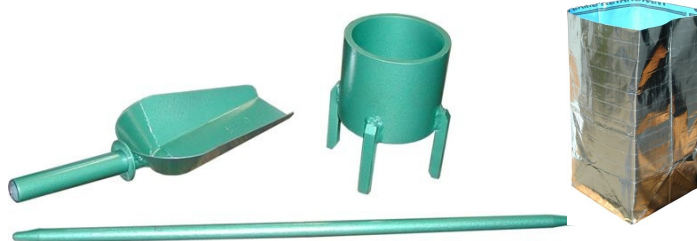

75mm dia x 150mm ht

50mm dia x 100mm ht
